From the Principal...

Dear Families and Friends of Chinchilla Christian College,

Welcome to Term Three

Welcome back to Term Three! I would like to especially welcome the new families who have recently joined us. It's great having you all as part of our school family. Students have made a really good start this term, settling in well to classroom routines and expectations. For our students to be successful at school, I cannot overstate the importance of regular attendance and a high level of work ethic and behaviour during lessons. Education is a partnership between the home and the school. The stronger the partnership, the more students thrive. Thank you for your ongoing support of the College. It makes a huge difference to the learning and wellbeing of our students.

Staffing Update

At the end of last term I shared about two new teachers who would be joining us this term. It was been wonderful to have Mr Allan Alipio and Mr Robert Stephens join our team. Mr Alipio is teaching 11 Chemistry and Biology as well as 7, 9 and 10 Science. Mr Stephens is teaching 7 and 10 HASS, 6 English and P – 10 Digital Technologies.

I would like to take this opportunity to inform you about two staff who will be finishing with us in the next month. Mr Anthony Arro's last day at the College will be this Friday 26 July. With Mr Arro's departure, the College is advertising for a new Sports Coordinator to commence Term 4, or earlier if possible. In the meantime we have teachers who will be covering the lessons Mr Arro has been teaching. Mrs Jessica Seng's last day with us will be Friday 16 August. Again, we have teachers who can cover the lessons that have been taught by Mrs Seng in her part time role.

I would like to sincerely thank Mr Arrow (2019) and Mrs Seng (since 2016) for the care and dedication they have shown during their time at the school and acknowledge the valuable contribution they have each made to Chinchilla Christian College. I pray God's richest blessings for them as they move on to new seasons in their lives.

Parent/Teacher Meetings

Parent/Teacher Meetings are scheduled twice a year and are an important time of sharing information and discussing strategies to support the ongoing progress of our students. The second round of Parent/Teacher Meetings are taking place on Tuesday 30 and Wednesday 31 July. Families have been sent emails with instructions for booking these online. Meetings with Primary teachers will be occurring in their classrooms. Meetings with Secondary teachers will take place in the MPC. Our teachers are looking forward to meeting with parents/carers to discuss ways to continue supporting students to enable them to be successful at school.

God bless,

Mr Nathan McDonald

A Truly Challenging Commandment

'This is My commandment: Love each other in the same way I have loved you.' [John 15:12 NLT](#)

Jesus said, *'I have told you these things so that you will be filled with my joy. Yes, your joy will overflow!'* ([John 15:11 NLT](#)) What are these *'things'* that you must do to have His joy in life? Jesus tells us in the next verse: *'This is My commandment: Love each other in the same way I have loved you.'* You say, 'That's a truly challenging commandment!'

Yes, and you'll have to do a lot of growing and maturing in order to keep it. But to enjoy the life Jesus wants you to have, you must commit yourself to doing it! God created all kinds of people with different temperaments and personalities, so clearly He loves variety. When God made the first person He said, 'It was good.'

Not only are there varieties of people, but there's 'good' in everybody and you're supposed to look for it. Much of our unhappiness in life is caused by people not *being* what we want them to be or *doing* what we want them to do. What's the answer? How can you enjoy each day if you're going to have to deal with annoying people? By making up your mind to love them. You don't have to like their ways, but you have to love them in spite of their ways. But when you think about it, that's how God treats you, right?

Here's a key to loving annoying people: annoying people are usually annoyed about something in their life. When you treat the source of their pain, they'll begin to feel better and treat you better.

Choir—"Help is on its way" Concert

Last week, Chinchilla Christian College Senior Choir students joined with choristers from across the Western Downs region and beyond to participate in a concert by Glenn Shorrock as part of the Queensland Music Festival.

The final item on the program involved the combined choir singing the song 'Help Is On Its Way' as part of a community initiative to promote mental health, particularly for men and boys. Congratulations students on your performance!

As the social fabric of life in rural India disintegrates in the late 1990s, journalist Manav Banerjee (Sherman Joshi) moves with his pregnant wife to the State of Orissa in hope of a better life and the promise of a lucrative career. When speculation mounts that local Australian missionary Graham Staines (Stephen Baldwin) is illegally proselytizing leprosy patients, Manav agrees to investigate undercover for the newspaper. What he finds is a series of revelations that are difficult to fathom and even harder to explain, and Manav is forced to make a choice between his own ambition and the truth. In the end, his actions spark a tragic event that is felt around the world. Based on a true story and shot on location in India, "THE LEAST OF THESE" beautifully illustrates the power of love, hope and forgiveness to overcome hate.
